RE: British Columbia CRN registration exemption

To whom it may concern,

British Columbia Directive No. D-BP-2013-03 states that Category B Fittings are exempt from CRN registration in British Columbia as long as they comply with the specifications and standards listed in either Table 126.1 of ASME B31.1, Table 326.1 of ASME B31.3, Table 526.1 of ASME B31.5, or Table 926.1 of ASME B31.9.

This letter is to certify that all Kerkau Manufacturing flanges registered with TSSA under CRN# OB15250.5R1 comply with the British Columbia CRN exemption requirements as stated above and are therefore exempt from CRN registration in British Columbia.

Please see attached Certificate of Compliance covering all types of flanges under this exemption. If you have any questions or concerns, please do not hesitate to contact us. Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ronald A. Badgerow III', with a stylized flourish at the end.

STATUTORY DECLARATION Registration of Fittings

I, Bryan Schindler, Quality Assurance Manager
(Name and Position, e.g. President, Plant Manager, Chief Engineer)

of Kerkau Manufacturing
(Name of Manufacturer)

Located at 910 Harry S. Truman Pkwy, Bay City, MI 48706, USA (Plant Address) (989) 686-0350 (Telephone No.) (989) 686-0399 (Fax No.)

do solemnly declare that the fittings listed hereunder, which are subject to the **Technical Standards and Safety Act**, Boilers and Pressure Vessels Regulation, comply with all of the requirements of ASME B16.36, ASME B16.47, & ASME B16.5
(Title of recognized North American Standard)

which specifies the dimensions, materials of construction, pressure/temperature ratings, identification marking the fittings and service;

or are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with _____ as supported by the attached data which identifies the dimensions, material of construction, pressure/temperature ratings and the basis for such ratings, the marking of the fitting for identification and service.

I further declare that the manufacture of these fittings is controlled by a quality system meeting the requirements of ISO 9001:2015 which has been verified by the following authority, NSF International.

The items covered by this declaration, for which I seek registration, are category B - Flanges type fittings. In support of this application, the following information and/or test data are attached as follows:

Certificates of Compliance for line sizes that are covered (ASME for design; ASTM/ASME for material); ISO 9001 certificate
(drawings, calculations, test reports, etc.)

Declared before me at 8:23 am in the morning of Thursday
 the 24th day of March AD 2022.

Commissioner for Oaths: expiring: 06/10/2028, Acting in the County of Bay

CERTIFICATE OF COMPLIANCE

This is to certify that Kerkau Manufacturing pipe flanges conform to the following specifications:

Carbon Steel: ASME B16.5
Dimensions, Tolerances, Drilling, Facing,
Temperature and Pressure Ratings
(.5" – 24" NPS, 150# - 2500# Pressure Class)

ASTM A105/ASME SA-105
ASTM A350/ASME SA-350
Physical and Chemical Composition
Characteristics

Stainless Steel: ASME B16.5
Dimensions, Tolerances, Drilling, Facing,
Temperature and Pressure Ratings
(.5" – 24" NPS, 150# - 2500# Pressure Class)

ASTM A182/ASME SA-182
Type F304/304L and F316/316L
Physical and Chemical Composition
Characteristics
