**Declaration:**

I Bryan Schindler, Quality Assurance Manager (see note 3) employed by Kerkau Manufacturing and being the person having full authority and responsibility for the quality of the end product do solemnly declare that the information contained in this form is true to the best of my knowledge represents the product for which registration is sought. The dimensions, materials of construction, pressure temperature ratings, and identification markings are in accordance with the herein named standards. I further declare that the manufacture of these fittings is regulated by a Quality Control Program which extends to each plant where fabrication occurs in whole or in part and has been verified by NSF International (ISO 9001:2015 certification) as being suitable for that purpose and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.

do solemnly declare that the fittings listed hereunder, which are subject to the **Technical Standards and Safety Act**, Boilers and Pressure Vessels Regulation, comply with all of the requirements of ASME B16.36, ASME B16.47, & ASME B16.5  
(Title of recognized North American Standard)

which specifies the dimensions, materials of construction, pressure/temperature ratings, identification marking the fittings and service;

or are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with \_\_\_\_\_ as supported by the attached data which identifies the dimensions, material of construction, pressure/temperature ratings and the basis for such ratings, the marking of the fitting for identification and service.

I further declare that the manufacture of these fittings is controlled by a quality system meeting the requirements of ISO 9001:2015 which has been verified by the following authority, NSF International.

The items covered by this declaration, for which I seek registration, are category B - Flanges type fittings. In support of this application, the following information and/or test data are attached as follows:

Certificates of Compliance for line sizes that are covered (ASME for design; ASTM/ASME for material); ISO 9001 certificate  
(drawings, calculations, test reports, etc.)

Declared before me at 8:23 am in the morning of Thursday  
 the 24th day of March AD 2022.
